REQUESTING A SPEAKER FROM LITTLE HALL

Contact: Christine Grey - phone 01787 249078

E-mail: bookings@littlehall.org.uk

Our experienced volunteer speakers normally give presentations at Little Hall, but we can arrange for them to visit your venue. In addition to the payment of the speaker's travelling expenses, we suggest a donation of £25 for an audience of up to 20 and £50 for over 20. Cheques should be made payable to: Suffolk Buildings Preservation Trust (Little Hall). This will help to support our work in maintaining the house and its contents.

Talks generally last up to 1 hour and can focus on the following themes:

1. The original hall house, its construction and use
2. The development of the house from its construction to the present
3. Colonel Gayer-Anderson and his family's legacy
4. The Gayer-Anderson Collection
5. A combination of the above
